

Love Don't Come Easy Anymore.

1. Hear someone knocking at your door,
With the midnight news for two.
Say you've heard it all before,
Never leaves you time to choose.

1a. Take another chance my friend.
Hope this love will never end.
Sweet romancing, the night is so fine.
Dreaming till the morning, you gotta make it this time.

Chorus:

Love don't come easy anymore.
Something tells you "once more, once more."
Love don't come easy anymore,
That's for sure.

2. Heard a warning 'bout an afternoon show.
You hurry – secret rendezvous.
Save it up just to let yourself go.
Nothin' left so what to lose?

2a. A crazy love affair again,
I need you more than now and then.
So close your eyes and drift into the dawn.
Over and over crying out for so long.

Chorus:

Love don't come easy anymore.
Something tells you "once more, once more."
Love don't come easy anymore,
Something tells you "once more, once more."
Once more, once more."

Bridge:

Can't believe that I'm in love again, baby.
Try and tell myself that it will never end,
Cuz I don't wanna leave you.

Chorus:

Love don't come easy anymore.
Something tells you "once more, once more."
Love don't come easy anymore,
That's for sure.

Chorus:

Love don't come easy anymore.
Something tells you "once more, once more."
Love don't come easy anymore,
That's for sure.

3. So you got yourself in deep.
Who's the one? You think you are.
Don't you know it's hard to keep,
Never should have come this far.

3a. You and I still hanging on.
I never had to wait too long,
For love like this is so, so fine.
Feel it in my soul cuz I know we'll make it this time.

Chorus:

Love don't come easy anymore.
Something tells you "once more, once more."
Love don't come easy anymore.
Something tells you "once more, once more."

(repeat chorus and fade; add guitar solo)
