

I And You.

© James Malcolm SOCAN

I and you, and you and me.
Two of us and two more free.

I – I – I.
I – I – I.

I and you, and you and me.
Hunger you, you hunger me.

I – I – I.
I – I – I.

I and you, and I and you.
Getting closer, closer to,

I – I – I.
I – I – I.

I and you; you and me.
Closer than we ought to be.

I – I – I.
I – I – I.

(Guitar solo)

Two can't turn what one can do.
I and you, and you and me.
One and one, you know it means.
Well, I want you and you want me.

I and you, and you and me.
Hunger you, you hunger me.

I – I – I.
I – I – I.

I and you, and you and me.
Two of us and two more free.

I – I – I.
I – I – I.
